

Governor General visits Grow Well Golf and gets a lesson

Her Excellency Dame Pearlette Louisy visits the Cap golf course to observe Grow Well junior golfers at practice. The Saint Lucia Golf Club is the major sponsor of the Grow Well Golf Programme which provides a meaningful after-school activity for the Gros Islet youth served by the charitable organization. In appreciation of Her Excellency's delight in the performance of the young players, Mrs. Claire Nardoni, an owner of Club, presented the governor general with a certificate for honorary membership of the Club.
